Hill AFB, UT 84056-5838***

Douglas R. Hamel

Douglas R. Hamel is Deputy Director of the Mature and Proven Aircraft Directorate at Ogden Air Logistics Center. Mr. Hamel was born July 29, 1956 in Boulder, Colorado. He enlisted in the United States Air Force on December 15, 1975.

He served as an air traffic control operator at Columbus Air Force Base MS, before earning a Bachelor of Science degree in Aerospace Engineering from Mississippi State University in 1981 while in the Airmen Education and Commissioning Program. In 1981 he received a commission in the United States Air Force and spent the next seven years performing engineering duties at Sacramento Air Logistics Center on a variety of weapon systems including the A-10, F-111, T-39 and F-117.

In 1985, Mr. Hamel made the transition to civil service and accepted a transfer to Ogden Air Logistics Center in 1988.

In 1991, Mr. Hamel received a Masters of Science degree in Systems Management from the University of Southern California. In 1995, Mr. Hamel career broadened in the Directorate of Financial Management as the Senior Business Planner for the Center. He was then selected as the Chief of the Science and Engineering Division in the Directorate of Technology and Industrial Support. In 1996 he was assigned as Chief, of the Industrial Operations Division for the Commodities Directorate. In January 2000 he was designated as the Supply Chain Manager for USAF Landing Gear. In July of 2001 he transitioned to the Chief of the F-16 International Programs Division. During this time he also chaired a subcommittee on the Depot Maintenance Review Team and was an original team member on General Lyles AFMC Transformation Team. Mr. Hamel is now the Deputy Director of the Mature and Proven Aircraft Directorate.
